### The Lady:

Attractive young lady, slim and toned with a lovely smile.

### The Story:

saw Alex at the suggestion of the lady on reception. When she came out to say hello I was surprised at just how attractive she was, so off I went for a shower ! Was getting dry when she walked in and in no time she had undressed and was waiting for me on the bed. Gentle back rub whilst chatting before turning me over and without asking started to softly and slowly french kiss me, for me, always a turn on. Alex gave me a gentle and unrushed service which worked perfectly for me that day keeping me on edge until very near the entire hour with lots of close bodily contact and kissing. Did I mention her skin is wonderfully soft ? If not it is !!
