The Story:

Firstly apologies for the tardiness of this report.

Adrienne has been on my need to see list for sometime and being in London on a day out when she was on presented the perfect opportunity. The plan almost failed at the first hurdle when I called HOD, as she was fully booked up until well into the afternoon, which was to late for me. However minutes later the maid called me back and said that Adrienne had had a cancellation and did I still want to see her, did I ever, and so I find myself outside the Pimlico address just before 11.

Inside I'm shown to the bedroom to wait for Adrienne whom I can see getting ready as the door to the room has been left ajar. Just afterwards she breezes in, immediately kissing me. The money sorted out, we are both soon naked, more kissing and some grabbing of boobs on my part and my dick on hers takes place. This transitions into Adrienne lying down for me to engage with her fresh as a daisy pussy. She reacts positively to my tongues ministrations, moaning softly as I lick her out.

Places swapped for her to blow me, without offered and accepted, her technique is just how I like it soft and gentle with some good deep throat work, not difficult as I'm not that big (unfortunately).

She says "Let's have sex, do you want me to go on top to start".

"Yes please" I reply.

On goes the condom and Adrienne lowers her wet pussy on to me, riding me whilst I play with her boobs and grab her arse interspersed with more kissing.

Time to swap places, for me to go on top, then a further change to my suggestion of doggy. Surprisingly I don't cum, but with my knees giving me grief I pull out and flop down on the bed. Condom off I finish myself off my favourite way with Adrienne's pussy planted firmly in my face.

There's time at the end for a cuddle and a chat, we swap box sets recommendations, before dressing and leaving a fully satisfied customer.
