The Premises:

HOD2 easy to find and in a nice discreet location about a seven minute walk from Victoria station

The Lady:

Incredibly hot and busty 34FF blonde definitely better than her pictures

The Story:

Kelly was the special ADVENT GIRL of the day which mean't that I could see her for half an hour for only £45 which I couldn't refuse.

I've seen her before along time ago for a threesome with another agency so I knew I would have a great time.

When I arrived at HOD the hostess took me to the bedroom and told me that she'll be out shortly and she offered me a drink which I accepted.

I then started to undress

A few minutes later Kelly came into the room in a black dress and she looked absolutely gorgeous and had really big 34FF tits.

We sorted out the paperwork and she put on some music and then she took her dress off.

I then started to suck her big juicy tits which got me really hard.

She then gave me a blowjob and then she applied some lotion on her tits as she gave me a tit wank.

I then went back to sucking her big tits and she asked me if there was anything I like doing.

I told her I enjoy DFK which she was happy to do while she jerked me off a little.

She then put on a condom and we had sex in a cowgirl position until I finally climaxed.

after which we talked a bit about HOD

I then went on to suck her big tits again and DFK while I jerked off a little and then she gave me another blow job.

She also talked dirty a little during our session which did get me going but with only 30 minutes I couldn't climax for a second time.

We got changed and then I left HOD with a smile on my face

I had a really good time with Kelly

My only regret is that I only booked her for half an hour because if I had booked her for a full hour I would have likely climaxed for a second time

Thank you Kelly. xxx
