The Premises:

Smart, clean, nice apartment in central MK. Plenty of parking and excellent directions received when booking. The room had an ensuite so very private, comfortable decent sized bed, not a king but plenty of room for us.

The Lady:

She is as pretty and sexy as her photos, they are clearly genuine, definitely a size 6 and i would guess at 5'7" but as we lay down pretty quick only saw her with heels so thats a guess.

The Story:

Its been a while since I used Annabellas, i have had health issues so its been over a year but recently have tried the London asian scene and been severely dissapointed so came back to what I know and was veryhappy I did. I always like to book a decent time with a new girl so we can chat and get a rapport going as i feel i enjoy the session more. Serena was easy to talk to and very easy on the eye, she is very pretty and could be mistaken for spanish with her tan, looks and accent but is actually Romanian.

I don't do detailed blow by blow accounts but I will say her body is amazing, while not full FK her kissing is very sensual and her oral technique is very very good, my oral technique must be up to scratch as she seemed to enjoy it and have to say she was very tasty
