The Premises:

the apartment is located on the 1st floor of a row of shops on a busy main road with buses passing and is between two tram stops on the Bury line. it has only been open a year and has two rooms with a shower in both and a waiting room. the outside steps are tall so it could be a problem for customers with walking problems

The Lady:

Tiffany is British about 5'7 tall dark haired with DD cup Boobs size 8 -10, she has a very open and engaging personalty and is very new to the scene and i think she will fit in with her new job very well

The Story:

this was Tiffany's first day as an escort, and the manager had arranged for me to come in and be her first client. i arrived and i liked i her straight away, she lead me into the room and i had a shower, when she came in we immediately started kissing and hugging a very good start with lots of eye contact. then we got on the bed and she got me good and hard and i played with pussy then on went the rubber and she got on top and we a very steamy session and broke out in a sweat very good and then we cuddled and talked for a while until the time was up then i had another shower and another quick talk, for a first time with a customer Tiffany was very confident and very hands one i think she is a welcome addition to the scene and i hope to see her again
