The Premises:

Very nice and easy location in Bayswater. Nice and discreet, very comfortable and spacious apartment and room. Everything was there for me, including refreshments.

The Lady:

Arizona is exactly as she is in her pictures, and she looks fantastic! Slim and attractive, and her apparent age is accurate. She speaks very good English, she actually a student, but not here, in Romania. One of the best Romanian girls I've seen ever actually!

The Story:

Arizona was dressed in heels and a flesh coloured body suit lingerie. When I followed her through to the bedroom her ass bounced and moved from side to side beautifully. She has a real woman's ass, yet still amazingly pert and slim. I paid up and gave her a little extra for the CIM treatment. I had a feeling that I'd want to and I was feeling flush on that particular day. She told me that she'd give the extra back if I didn't end up doing that, which I thought was very thoughtful of her. She's a really nice girl this one, not like some eastern European girls who can be mechanical and lack personality.

Began with a sexy little strip tease. She has really nice boobs – all natural – and they felt really nice! Moved onto the bed for some OWO. She has a good technique. Does a nice little flicking thing with her tongue over the end of the old chap, then goes really quite deep and varies her style. I was very impressed, and she kept some lovely eye contact. She has beautiful eyes too!

Sex was in cowgirl to start. We were really in sync during this and she was really wet and sexy. I forgot to mention that she's a great kisser too. Really sexy and not forced. She allowed me to take some lead in the French kissing and I enjoyed this a lot. No ramming her tongue down my throat etc. some playful kisses on the lips and a little tugging at them etc. really hot.

Switched to some missionary sex where I could get my hands around her and hold her tight. Lots of kissing her neck and grabbing her ass. Her boobs look great when they wobble around! She also smelled great. Turned her over for some behind the scenes action which she loved. Took it nice and

deep, some great moaning and really got into it. Pretty sure she came in this position.

She finished the job with her mouth again, but she wasn't in a rush, which was really nice. Sucked me until I exploded in her mouth, then let it dribble out whilst she kept on sucking. Love this sort of action!

Fantastic girl and a top experience. Highly recommended!
