The Premises:

Very easy to find, its central london so if you are driving there is pay & display a couple of streets away. To be expected. Discrete entrance as a basement flat. The Flat is clean, shower facilities good, and refreshments offered.

The Lady:

Emma is as she describes, late 20's early 30's, she is stunning imo. Photos are accurate, although she is better in the flesh. Very ample breasts and a body to die for.

The Story:

I've seen Emma a few times now. I am just starting to explore my sub side, and she is "helping" with that. What i find best is the communication, we are able to discuss the visit, a plan, and the boundaries. She is very accommodating and has an array of outfits and toys.

I keep going back for 2 reasons mainly:

1 - She is sexy as hell

2 - I feel completely at ease and safe even when trying new things as a sub

She is slightly more expensive than your average, but that's because she is much better than average. Worth every penny.

You will leave completely satisfied and planning your next visit already.
