The Story:

Nicola has been well reported on recently and also given her new recent photos and all the positive reviews, I had to go and check out for myself if it was all true!

I'm pleased to say it's all true and more! Nicola is exceptional in every way! Given this is the first time I had met her, she made us click immediately, and we got off to a great start. We were both standing, and I started to caress her lovely body before turning into a session of DFK after which I sat on the bed, whilst she got on her knees to give me OWO. Her technique is good, not the deepest, but deep and varied enough. We then proceeded to the centre of the bed for some more mutual touching, feeling and DFK, she then proceeded to more OWO, before I asked to 69 so I can taste her. We 69'd for 5 minutes or so, and I have to say she tasted great. I got her on her back and continued with a little more oral on her. In the process of giving her oral, things turned up to another level. I parted her legs wide and high all the way back to her ears, so much so that her toes were hooked underneath the bar on the headboard of the bed. She lay there legs apart, with her gorgeous curved arse facing me in its all glory. I moved forward to give both her sweet tasting holes a good kick, then proceeded to finger her wet pussy, and then even slowly fingered her arse. This made me feel incredibly horny, the sight of her feet under the bar of the headboard was incredible! I then applied the rubber, and slowly moved on top and inside her, I had a few settling in slow strokes before I really picked up the pace and fucked her for all she's worth. I changed positions a couple of times. Into doggy and then on top, before having her on her back again, legs wide and high, just like I like it, and gave it to her hard whilst I fondled her small boobs. Again, she looked amazing in that position, so beautiful, but spread wide with no inhibitions. Time was coming to a close, when I said to Nicola that I'd like to cum all over her beautiful face. She smiled and encouraged me to straddle on top of her, which I did. I wanked over her whilst looking into her eyes and groping a boob with my left hand. At the moment of truth, I let go with everything I had, and let out spurts of

my cum all over her pretty face. A large spurt landed on her right eye, whilst the remainder stained her nose, forehead, cheeks, chin and lips. I squeezed out every last drop, even flicking the remaining last drops off of my cock onto her pretty face. She didn't flinch or anything and made sure I was completely done, before suggesting any wipes to clean off the mess. A perfect end to a perfect session.

I would highly recommend Nicola and am definitely plan to see her again! It may be even today, 17/12, where I will seek to try A Levels with her. If I do accomplish this great feat, then I will be sure to report back.

If you read this Nicola, thanks for a great time and see you soon. Jay.
