### The Premises:

Discreet old apartment block, no idea about parking, as I used the Underground, but I suspect that it's expensive and in short supply around there.

The flat is adequate for its purpose, but the bathroom could use some renovation, though perfectly clean. Comfy bed to romp on!

### The Lady:

Serena is a very fit - in both senses of the word - Italian lady, with a charming accent, no photo on the website when I booked but I always trust Pat's judgement, he gets such outstanding girls, and you won't be disappointed. She is also bright as the proverbial button and great to chat with too. Though that's probably not why you will want to meet her!

### The Story:

I never go into much detail, but assure you that Serena is a skilful and highly enthusiastic partner, who really knows how to both please you and enjoy herself. And she has plenty of energy, her main job being a fitness instructor, when not escorting. Be prepared for a lively and passionate experience! I would definitely like to spend time with her again.
