The Lady:

Simply stunning, like created from a 3d printer ahah. There are no words to describe such a divine marvel. As she opened the door, I was greeted with a smile, a which always makes the difference. She does look as gorgeous as in her pics, def you could ask for no more.

The Story:

Once I took my shower -a form of respect that i ve been told is not necessarily followed by fellow punters-, we started small conversation and caressing as you would expect. Superb bj followed by missionary, doggie and on top. I just couldn t handle it for too long, so...COB. Shower no.2 and relaxing chit chat with some gentle rubbing to chill even more. Her English is ok, no kissing, but honestly I was too busy worshipping her beauty most of the time. So nothing to object on my side! Highly recommended lady!!
