### The Premises:

Located in the 'Paddington Central' complex. There are maps of the grounds and facilities to find the correct building. Easy to reach via walking and her room was cosy but clean, modern and tidy. Warm place with a clean shower and toilet facilities. It's a nice place overall but shower handle to activate water flow and temperature I found slightly confusing at first. You can ask her to 'show you' maybe ask if she will 'shower you' ;-)

### The Lady:

Her measurements are correct, her pictures are accurate. She is slightly slimmer in person but more toned than her pictures look! Something I liked as she definitely works out in the gym. She looks like my favourite actress - Angelina Jolie so I was totally smitten by her. Such a gorgeous creature with a lovely accent, confident attitude, boundless energy and loves to talk, take charge and control. She loves to dance too... She pretty, has full plumped lips and a genuine smile too.

### The Story:

Felt at ease straight away, her positive, happy, sweet style made things as natural as can be. A passionate, friendly companion who makes you feel like you've just hit the Jackpot with this amazing, intelligent, cool, stunning 'in every way' beauty. No complaints, No drama, just a happy, fun, funny at times experience... All good from this lovely charming lady.
