The Lady:

Mina entered the room dressed in accordance with the instructions that I gave to the maid and was about 5'5" without heels.

The Story:

We started kissing and her lips were just so amazing and soft that we kissed deeper. We sucked and licked each other. There were juices everywhere, especially on her hands and tits when I came at the end. Prior to my ejaculating we Mina sat on my face and I chewed her out. She toyed with my nipples and enjoyed watching my cock twitch as she did so. She licked my cock like a lollipop and spat on it and stuck it between her tits. Mina's black ass sure knows how to work a white boy. Mina was tremendous and is my current new favourite.
