The Story:

Sorry that it has taken so long to write this up. Have to say that Brooklyn is the first British girl that I have seen in a long time at Annabellas. Thought that with Brexit fast approaching, need to wean myself off those hot, young EE girls!!

But Brooklyn was great! Straight into some small talk, then a little kiss..... within a couple of minutes, we were embraced with tongues clashing!

Have to say that her main strength is her oral skills. She asked me what I wanted and a great blow job was what I got. Her tongue goes everywhere and I loved the sight of my cock and balls being treated by this girl.

And the best bit? Shot my hot, creamy goodness into her mouth and she swallowed every last drop! Saved having to use all those tissues to clean myself up. In fact, thinking about it, didn't actually use a single tissue! That's called being eco-friendly!

Afterwards, we lay down together, kissing now and then. Was even treated to a couple of minutes of hard ball sucking at the end. Her warm mouth is perfect on a winter's afternoon!
