The Lady:

Wowexactly like her website pictures. Quite young looking and slim / skinny (right up my street), very friendly , making me feel relaxed as soon as she'd entered the room.

The Story:

I'd been meaning to see Effy for literally months.

This appointment was booked around a week prior to seeing her. She is virtually impossible to get hold off so must be popular.

I really, really enjoyed my hour with English Effy.

Very University looking / Studenty type (bit of a hippy chick as has been mentioned before).

Handed over the present before a quick shower.

Tall , elegant Effy soon got to work with a really soft BBBJ and her hands massaging my balls. I had been in London for solid training and it just felt great to finally relax with a lovely looking HOD lady.

Asked Effy permission if I could come in her mouth , and with her looking at me , with her lovely eyes I didn't last long and shot my load (felt like a big load) in her mouth as she was so gently sucking.

It felt great and Effy went to the bathroom to freshen up.

We got talking and I told her how is she is so rarely available, she thanked me for seeing her (how sweet).

She was an interesting girl, I hope I didn't bore her too much.

Finally , got onto more touching , more oral and 2nd time I lasted longer, I loved her technique (practice makes perfect I suppose) and I lasted a while and really enjoyed her working me to another strong cum in her lovely mouth of course - my favorite.

I had around 15 mins left and at no time did Effy ever rush me , I really enjoyed her company and would love to see this girl again !

I could of tried for a 3rd load but decided to shower and hit central London , allowing her time to chill as she had been such a sweetie. Effy really had lightened my load and relaxed me.

Thank you Effy, a rare find with such a sensual, slow blowjob technique , you were great.
