The Story:

Katie wasted no time and started kissing and stroking me straight away. Once I was hard she gave me oral WO and a good tit wank. I soon exploded in her mouth. She then gave me a massage before getting me hard again. She then put the condom on and started doggy. She asked me to fuck her hard which I did. The mirror was great on the wall to watch ourselves. We then did a couple of positions before we wanked off together. Great punt. Will be returning.
