The Premises:

Close to Queensway and Bayswater tube station. Very clean apartment and very nice decoration. Makes you feel comfortable immediately. Also, a great selection of drinks. Large mirror next to the bed.

The Lady:

Jennifer is super hot. She was dressed as requested in a PVC outfit which showed off her body. Nice enhanced boobs and a great ass. She matches her photos quite well.

The Story:

This was an awesome evening! Jennifer was very eager to please and great to talk to. She started by spilling oil on herself and on me before spending some time in 69 position. She is very open to your suggestions. I wanted to be dominated a bit and this was no problem for her. I then fucked her in missionary and came all over her beautiful tits. Amazing. We took a break and she gave me one of the best massages I ever had, using hot oil which she keeps warm in her room. I was then ready for the second round with OWO. She also used some toys . Great girl, very enthusiastic and super kinky. Highly recommended.
