The Premises:

Terraced house not far from Luton town centre. They used to be in at the bottom of Farley Hill but have moved.

Pay parking outside now.

The Lady:

Very slim Chinese girl. Mid twenties, tiny tits, small bum, pretty face, slim thighs and a fully shaved neat little pussy.

Just perfect.

The Story:

I did the usual call and check to be told they'd moved. New address was sent by text.

I arrived and knocked on the door to be let in.

Of with my shoes and shown upstairs, very steep.

The girl was waiting for me in the bedroom and I only needed one look to see she was just perfect.

Did the paperwork then got straight down to business.

To cut a long story short I licked her little pussy and clitoris for ages which she very obviously enjoyed to the full.

I then lifted her thighs and pushed myself into her. Very very tight and because she was so slim everything was visible as I fucked her.

I lasted a surprisingly long time before filling the condom as I looked in her eyes.

It's a shame she'll only be there for a week as I'd love to fuck her again but its a very busy time so I may not get the chance.
