The Lady:

Looks much better than her pictures. When she walked in room my manhood rose just looking at her. She has a beautiful smiling face. Outstanding shape and a butt that you can't wait to grab. Her lips are full and kissable

The Story:

She greeted me with a warm smile and a kiss on the lips. She said she loves to kiss and started kissing me with her lovely lips and tongue. I could have kissed her all day. She then started o.w.o. Which was outstanding. She sucked me so good that it's hard to describe. She uses her mouth and tongue in a great way. All the time she was looking at me with her beautiful eyes and showing she enjoyed it as much as me. She then tried to apply a condom but I am bigger than most. She left and returned with a larger size and we slipped it on. She rode me what seemed like hours moving up and down my manhood. I came which normally takes me a long time. We then had a pleasant conversation then deep French kissing again. She again sucked me so good. She then suggested I enter her vagina from the rear. I happily accepted. After putting on a condom we had a great time with her moaning as I held her shapely waist and butt. I suggested reverse cowboy. She smiled and quickly jumped on me and started moving herself up and down my manhood. This went on for what seemed like 20 minutes with her moaning and grinding. It was a pure pleasure watching and holding her beautiful butt while she moved like a pro. She then came. We then French kissed and had a good conversation. She asked me to fuck her and I immediately went on top but my manhood by now was finished. Also it was approaching my time limit. She is not a clock watcher. In closure she is a fantastic kisser and the best o.w.o. I had in a long time. She also a great punt and a pleasant person. She likes what she does and better than a girl friend experience.
