The Premises:

Typical and discreet AB location in central Milton Keynes. The location is quite easy to identify. Had called AB the previous day to book appointment with Katrina. As usual with AB it was a hassle free booking process. Called on Sunday morning to reconfirm the booking. Had requested the maid to check if I can Katrina with sexy stockings. Maid did mention that she will check with Katrina

The Lady:

I just have words to Describe Katrina. Absolute bombshell with a body and ass to die for. She was wearing heels and that made her look even more sexier. I was there on time and was escorted into room by Katrina. I was offered a glass of water on arrival. I spent the first few minutes just admiring her Body and her tits. She has got such a peach of a bum that I couldn't wait to explore it. Once initial paper work was sorted, Katrina did ask me what I like. I mentioned that I would like to be dominated in Bed. I had a cuddle and looked at the mirror with her , boy I felt I was in a different world. She asked me to suck her massive tits which I readily acknowledged. We then moved on to bed and she took complete charge of the session followed by deep French kissing. We kept kissing for sometime before she put my cock in her wonderful mouth and gave me a fantastic blow job. It was simply mind blowing. She then asked me to lick her juicy pussy. I couldn't wait and what followed was a wonderful exploration of her beautiful and clean shaven pussy. We then moved into 69 and had a fantastic oral sex. She then asked me if I was ready for the ultimate ride. I couldn't wait to put my cock inside her pussy. She rode so gently and I was literally feelin like I was in heaven. We then moved to Doggy and then missionary. I came literally 45 mins into the session. She is so soft, gentle and made me felt so relaxed. She also mentioned that she was into 2 girls interactive and that she has done a few with Dollee. She did introduce me to Dollee when I was about to leave. I mentioned that I certainly wanted to do a threesome after new year

I can't thank Katrina enough. You literally made me weekend and I was literally thinking about her and her amazing body and her personality after the session. She is hidden gem in AB. I just can't wait for my next punt after new year

Thank you Katrina XX
