The Lady:

Very beautiful girl young at around her 20's she is very matching to the photos on the website she is not too tall and not too small too but has very firm and well cared body.

The Story:

it was a very nice experience being with gora she was very well dressed when she came over to my place looked absolutely stunning and she was very polite and loose around me too i was even more surprised when she took the dress off and i could see better the beautiful body she had very sturdy ass and tits with a smooth skin, the whole time we spent together will be memorable without a doubt she is one truly goddess and has got the skills of one, being so young i did not think she would be this good but i guess i was very wrong.
