The Premises:

Victoria House is a well described parlour and the quality of the facilities and the ladies who work there is very high.

It's not cheap but you can have a sauna before or after and so you can get your moneys worth.

The Lady:

Francesca is absolutely beautiful. Mid twenties with dark long hair ,a beautiful body and a very lovely and chatty personality.

She was dressed all in black glamour wear- a nice dress, hold up stockings, high heels and lovely lingerie underneath.

I think the dress was more to celebrate the party season, but I do like to have another layer to be removed from the lady.

Her personality and stunning body will appeal to all.

The Story:

I had booked Francesca as her pictures were very attractive and at mid twenties she was in the age range I was looking for.

I had prepared my self with a little blue pill and had a shower , there were 2 other guys in the changing area but that is okay with me - we all enter VH with the same intention so no need for any embarrassment on that front.

After showering I donned the dressing gown and flip flops and went upstairs to await Francesca.

Francesca appeared up at the bottom of the stairs and looked fantastic.

We went into a room - the round beds are great.

Francesca put a sheet on the bed still fully dressed and then came over to me to discuss my requirements.

I asked for a GFE which was 80 pounds. I then asked for a slightly harder experience- nipple pulling and biting, ball squeezing and spitting to which I would add an additional tip. Francesca agreed to this and performed perfectly the service I wanted.

We started with a nice DFK and immediately I got hard.

I got naked- Francesca down to stockings only and moved onto the bed. We got straight down to sexual play but I realised it would not be long before I needed to finish, so I asked for a massage to slow things down a little.

After a nice b2b oiled massage I asked Francesca to sit on my face.

I performed oral on her as she was grinding her beautiful and clean pussy into my mouth.

She appeared to orgasm .

All the time she had my arms trapped under her legs and was pulling my nipples hard.

We then resumed kissing and she performed OWO on me.

We then applied a condom and started the main event, initially with cowgirl and lots of nipple play and kissing.

We then changed to doggy where the view of me fucking this lovely lady was a sight for sore eyes indeed.

Francesca appeared to really enjoy the doggy session and I reached a wonderful climax in that position.

We then had time for a short massage and chat before dressing and leaving the room.

On my return to the changing area the 2 guys were still there. However the maid called them up to the VIP room., above the changing room.

After showering I entered the Changing room to see Francesca going into the VIP room.

Well I am sure those guys would have had a great time with a very sexy lady indeed
