The Premises:

This was a new location I have not visited before. Nice flat that is very central, the room was a good size (unlike some box rooms you get!). Very clean... what I have come to expect from Annabella's!

The Lady:

The photos that Annabellas currently have on their site really do not do Clara justice. Something you hear a lot, but she was stunning. I don't normally go for blondes... she took my breathe away. Amazing figure... the perfect balance between slim and curvy. All figures that are shown on the site seem right, although her tits seemed bigger AND better than just a D. The type of arse you can play with forever.

The Story:

After reading other reviews (which sounded good!) I thought it would be a good experience. I was wrong. This was the best time I've had with an escort so far.

It could be down to her stunning figure AND looks. It could be down to the easy location and lovely room. It could be down to way she made me feel like I was actually having an experience rather than just trying to blow a load.

Personally, I'm putting it down to the way she looks at you while you're giving her a good pounding. There's a look in her eye which makes you want to cum instantly.

Clara, you were amazing. I look forward to our next encounter! (Hopefully next time you can have those converse with you ;-))
