The Lady:

I was shown to my room upstairs by receptionist. Just before the door shut I saw this gorgeous lady in the hallway. I did not know it was Ashley. When Ashley entered the room I was excited how beautiful she is. She could easily be a model. She was pleasant and made me feel at ease. My cock was immediately hard just looking at her.. she has long shapely legs, a tight waist and a butt you want to grab

The Story:

She is very pleasant and we had good conversations like long lost friends. As her website mention she does not do kissing. However she sucked my long cock so good like it was her favourite candy! She paid attention to every part of my cock and balls. This went on what seemed forever and I enjoyed every moment. She could definitely teach others how to appreciate a cock. We tried various positions of sex and she was enthusiastic for whatever position you want.

When we finished she gave me a massage. When leaving she introduced me to Foxy who was in the hallway. Damn Foxy look good! I spoke to her briefly and will make time to see her!

In closing Ashley is a beautiful pleasant lady who provides a good service. She is definitely one to meet!
