The Premises:

Smart basement flat in a smart bit of London. My first time here, though I know the West Kensington place well. This one definitely more spacious, better lit, and more mirrors. (I like mirrors).

The Lady:

Attractive, tallish dark blonde, with fabulous natural D cup breasts, mid to late 20s. Slim waist, lovely bum and a great smile too, size 8 max. Curiously, she is quite a lot better looking than in the photos on the website - where she looks a bit chubby. My sort, (so maybe I'm biased,) and what a cracker. She has excellent English, and is a good conversationalist. HOD girls are always good looking, most know how please and some are interesting, but Stephanie does all three.

The Story:

I am a very vanilla/GFE kind of chap, so massage, (great view in the mirror), oral with (curiously) and she had a go at DT, then her on top (more mirror) then doggy (in the mirror, natch). Then a bit more chat. What a lovely girl. I think she is recent and I hope she stays for a while - lovely addition to HOD's team.
