### The Lady:

Wow she is a large back lady as advertised in her profile

### The Story:

This was my first meet with Missy so only opted for a 15 min appointment

Once in the house she led me to the bedroom and I stripped off

Paid her up front and said I would like to masturbate her

She got me some gloves at my request and then stripped off and I was able to stoke her gorgeous arse and rub my cock in the bum and feel her massive jugs

She laid on the bed and I laid at the side of her

Legs opened and I started to masturbate her

She took hold of my cock and started stroking my cock and balls

Eventually she came to a nice orgasm and then I suggested that she suck me in the 69 position with eher cum pussy right over my face

Condom on, again at my request, and she mounted me and her pussy smelled gorgeous

Eventually came in the condom while fingering her pussy

Cleaned up and left a happy chappy

Will return for sex net time
