The Lady:

Neither Nancy nor Sarah have their photos on the 00-44 website, but Pat (the agency owner) assured me that the girls were 'my type'. Nancy and Sarah are both probably mid-to-late twenties, and around the same height, perhaps 5-5. Both have shoulder-length hair, Sarah's blonde with curls, Nancy's straight and dark. They are both slim, but Nancy has firm enhanced breasts, a tiny waist, and a nice, round bum which gives her something of an hourglass figure, whereas Sarah has small natural breasts and is more svelte. Down below - as I later found out - Nancy is fully shaved while Sarah is au naturel. I found them both attractive – Nancy has very petite, precise features, while Sarah has bright eyes and a broad grin.

The Story:

This was the first time that Sarah and Nancy had worked as a duo together, so when they first arrived at my flat we chatted for a while over some wine while we got to know each other. They have led, and lead, very different lives: Sarah has worked on and off for 00-44 for a while, but is frequently away travelling or working abroad, while Nancy is quite new to escorting and to 00-44.

Nancy hadn't realised this was to be my usual naughty schoolgirl role play and so hadn't brought a costume, but Sarah changed into her schoolgirl outfit and we kept to the script, anyway! The girls answer questions which, if answered wrongly, require a forfeit, and the forfeit becomes increasingly naughty as things progress. The girls seemed to enjoy themselves, particularly Sarah who, with her greater experience of escorting, was unfazed by any of the things I had thought up for the girls to do! They had no problems kissing and fondling each other, and it was a pleasure watching them strip for me. Both were happy to give me OWO and receive RO, and also indulge in a little light spanking. The climax came when Nancy sat on the sofa and opened her legs while Sarah went down on her, and I leaned into Nancy so she could alternate between giving me OWO and a handjob; soon I was pumping out onto her breasts.

I had a very enjoyable time with Sarah and Nancy, and they worked well together given this was their first time as a duo; I'd be more than happy to see them again if their part-time schedules work out when I am next in London.
