### The Premises:

Super easy to find and access apartment, quite area. Clean and tidy inside, spacious and comfortable. Great facilities too.

### The Lady:

Kaia is the girl in the pictures definitely. Accurate age I'd say, there would only be a couple of years in it. She has an all natural body, slim and very busty. Overall a very nice girl, who speaks reasonably good English too.

### The Story:

Kaia answered the door in bra, panties and heels, and she looked incredible! Really good. She could make much better use of this initial appearance in my opinion. For example, she could wear something on top like a nice dress or something and then reveal a little more later on, but this is just my preference. The initial impact was WOW! And those boobs looked great in her bra, wobbling slightly when she walked.

After my shower and the initial paperwork was out of the way (including the extra £50 I paid for CIM) Kaia suggested a quick massage to start things off. I readily accepted of course. I couldn't wait to get that bra off her, but unfortunately she did all this herself and rather too quickly for my liking. Not her fault of course, I could have asked, but it just seemed to happen too quickly. I had a quick kiss and a fumble around before laying down for a nice back massage. Massage was ok, but nothing to write home about.

Turned over and I was more than ready for some action. Kaia's OWO is very good, nice and wet and slow. Not too deep, but plenty of attentiveness. Moved on to cowgirl where she certainly excelled, and those boobs are lovely in your face! Fantastic even. I then went on top for a while and enjoyed kissing her neck and watching her boobs wobble around whilst we fucked. Last position was doggy, which was also enjoyable. Loved grabbing her tits from behind, but I had to be careful shoving myself in too far because I'm a little long for some.

The finish was probably the best. I stood at the end of the bed and she sat on the edge and sucked

and wanked me off into her mouth. I grabbed her head and pushed it down onto my cock as I exploded into her mouth. A great finish!

A nice girl with a nice service. Would recommend definitely at this price.
