The Premises:

Nice place in Bayswater, not far from the tube station. Easy to find, and easy to access. Fernanda's apartment is really nice and cosy, a proper home, unlike some of the other girls I've seen. Nice and warm and well equipped etc.

The Lady:

Fernanda looks MUCH better than her pictures in my personal opinion. She is in her late twenties, with a nice womanly figure. Not too skinny, how I like to see them. She's half Spanish and half Hungarian I think. Her English isn't great, but we got along just fine. She has a lovely smile that lights up the room. She's real girlfriend material!

The Story:

She was dressed in matching black lingerie, her hair was down and she smelled lovely. She was very pleased to see me and very attentive. Helped me take off my clothes etc. and kissed really nice and affectionately. Her naked body is wonderful in my opinion. A nice round ass, fair size boobs, and lovely Latina skin.

Her OWO is was very good. After this she got on top and rode me for a while. Her boobs look and feel great like this and I liked giving her big ass a nice gentle slap from time to time; she seemed to like this. We moved to missionary for a while, where I managed to get my hands around on that ass of hers again. Doggy was enjoyed for a while and on her front too. Finished off as I like to with some more OWO and a hand job – doesn't offer CIM, otherwise I'd have had that. And what a beautiful mouth.

Fernanda was well worth the time and money. A bargain at this price.
