The Premises:

Spacious bedroom in a flat on outskirts of MK with plenty of parking nearby. Not the most inconspicuous location but thankfully the early nightfall made it a stress free entrance.

The Lady:

As per her candids, Peaches is a photogenic redhead in her early 20s with a lovely lithe body and nicely enhanced boobs. She's also well spoken and reminded me of the undergrads from my student days.

The Story:

Peaches is new to escorting and seemed a bit shy to begin with but soon warmed up with a bit of FK before getting down to OWO (at my request) in front of the full length mirror.

I was pleasantly surprised at her willingness to attempt some deep-throat and how she looked up at me with those doe eyes during the CIM finish.

We then lay on the bed for a nice natter whilst I recovered my vigour before Peaches hopped on top for covered sex in cowgirl followed by a couple more more positions to finish off the hour, although I didn't quite manage to cum a 2nd time.

All in all a very enjoyable GFE with a nubile spinner which I hope to repeat.
