The Story:

Arrived was shown in by the maid , informing me both girls were free , shown into one of the bedrooms , before each girl being shown in. OMG both were sensational, and as I was aching for a shag couldn't believe I was turning one of them down, before telling Jolene the maid they were both sensational but I'd like to see Tammi

Tammi returned made the arrangements , she nipped out whilst I got naked , she returned, we instantly started kissing and cuddling her wonderful full shapely figure , began sliding down her top , she had a bra on and she suggested I try to unhook it , managed to do so , she told me I must have had lots of practice , couldn't argue.

She suggested we lie on the bed together , I commenced on her nipples , one of them pierced , rolling each between my lips , her telling me I was good , moved my head between her thighs , gazed at her fabulous shaven pussy yum , describing to her her divine petals were exquisite as I looked at her glistening wet pussy , Tammi told me she loved the way I spoke and "you can go down if you like" before I could ask her if she'd like me to told me "it's my favourite " , and that she loved the way I spoke , my tongue touched her clit , yum , she moaned contentedly , pressing my head into her , she was wonderfully responsive and juicy , must have spent 15-20 minutes (we both said we could have had me eating out her delicious pussy all night but time was limited) .

She asked me is she'd like me to suck her cock , which she did amazingly , not just like a porn star , but she told me she had done porno , as well as fantastic sucking she licked the length up and down , and gave me a wonderful commentary ; how lovely and clean my cock was, neat pubes . Sadly time was passing too quickly , as we caressed again, I couldn't resist putting my head between her thighs to her delicious juicy pussy a few more licks , and we decided she'd sit on my face for a bit then fuck.

She lowered herself onto my face , whilst she faced forward , yum , engulfed between her wonderful full thighs , whilst her delicious pussy descended on my tongue , and licked her for several minutes

before it was time to fuck.

She expertly slid the condom on we decided on cowgirl , "I'm very tight " she told me , she wasn't kidding also she was wonderfully juicy , she rode up and down hard . making the bed creak , before I ecstatically unloaded spunking repeatedly , and she gently climbed off.

Tammi helped me wipe him clean using some wipes and tissues , and we both got dressed , I thanked her for such fantastic sex , she told me I'd been lovely and she had really enjoyed it , and we had a lovely proper kiss goodbye .

Jolene the friendly maid showed me out , I told how lovely Tammi had been , and we chatted about the other wonderful girls I've seen here.

Tammi is such a fantastic friendly genuinely horny woman , and given how many other lovely girls there are here surprised there have not been more reviews.
