The Premises:

A 5th floor flat in a private building on Cornhill, near Bank station. There was no lift so you have to be fit to climb the spiral staircase!

The Lady:

A busty Thai lady, maybe mid 30s to early 40s. Her breasts were definitely her best feature.

The Story:

I enjoyed the session in part because it was a very central location. I went thinking it was a massage/relief service, but in fact we had sex in doggy position and finished with hand relief.
