The Premises:

First mission of the year for this secret agent. Looked at the One2one website and decided to try a recent addition to the site who was scheduled for the Kings Langley flat (currently, One2one has 4 locations Aylesbury, High Wycombe, Kings Langley & St Albans). The Kings Langley flat is quietly located down by the river, private parking & is entirely fit for purpose.

The Lady:

Evana is a Polish woman instantly recognisable from her website photos although these appear to be a few years old. A lovely friendly woman with excellent English.

The Story:

007 likes to warm up by giving a tantric massage. Evana readily agreed & was quite vocal in her appreciation particularly when I introduced my tongue into the proceedings! Suitably warmed up she then gave me an excellent session of OWO as a prelude to sex in 3 positions and my final spurt across the finishing line in missionary. As age diminishes my sensitivity it is a rarity for me to come in a condom. Evana's OWO prior to intercourse is I believe the reason for my happy ending. A 007 5* rating is well deserved.
