The Premises:

This was at an apartment that looks like an office block from the outside, but was very nice once inside.

The Lady:

Fit as a butcher's dog! Do people still say that? Serena is young, slim, dark haired and has perfect titties. Like a lingerie model that you'll see on the catwalk. Not an ounce of excess fat on her Romanian body.

The Story:

Really sorry for being late in submitting. I think I saw Serena once ages ago when she was new. But never got round to seeing her again until today.

I had a really good time. Kissing and then sucking on that perfect rack was a wonderful way to start the session. Serena then performed some great owo..... foreskin was rolled back and her lips sat on my helmet and greedily sucked away.

Fucking such a fit young lady.... Brilliant! Unbelievable body!
