The Lady:

Molly is just as described on the GFE website and others

A very pretty face and a body built for this line of work !!

She is softly spoken but with a hint of naughtiness in her voice

Age wise she is late twenties

The Story:

I had been wanting to see Molly for ages so after some previous disappointments at GFE and Sheridans(She had been booked up) this time I made a reservation

I had a quick shower and on time Molly entered the room wearing a big smile and a skimpy pair of knickers and a bra that was obviously too small to contain a wonderful pair of breasts :) - my eyes nearly fell out at this sight and I was rock hard already

Molly came straight over and planted a nice deep kiss on my lips and then pushed my face in between those big boobies - a great start

We confirmed that it was a 30 min booking but in hindsight I should have gone for longer :(

Molly walked past to the side table chatting away and by the time I had turned round she had already removed her bra - turned to face me and was pulling her knickers down !

She stood there starkers - legs slightly apart and hands on her hips and said " do I look ok ?"

It was as if my already hard cock had just grown another couple of inches lol

Molly removed my towel and after checking with me she began some fantastic deep OWO - and I mean really deep

She moved around so I could stroke her legs , arse and body but obviously soon my fingers found their way into her pussy

This was going well so far

Time to cover up and Molly laid on her back - pulled her legs right back to her head and encouraged me to enter her

She was smiling as I pumped away and kept eye contact

A quick change into doggy and Molly spread her legs really wide and pulled her buttocks apart so that I could see everything :)

Molly has a cute little arsehole and confirmed afterwards that it is available to anyone who isn't too big - she said she would just about be able to take me - nice touch and I will take her up on that promise :)

A good 10 mins was spent banging away in doggy with Molly encouraging me (nothing too over the top though - I find that a turn off)

Molly didn't just lie there but took an active part pushing back on my cock at the right time so I was as deep as I could be

A CIM finish was available but decided to let her finish me off by hand as we DFK each other and I exploded into the air - Molly complimented me on the amount and she wasn't just saying it as it was the most I had ejaculated in ages

Nice to see Molly take a good shower afterwards and we chatted away

Nearly broke my heart to see her putting her undies back on - although in fairness they didn't hide very much lol

So in summary - a very pretty ,happy go lucky young lady with a killer body who tries her best to please her clients and I would thoroughly recommend her
