The Lady:

As per photos and a beautiful face with deep brown eyes to die for. Petite with stunning breasts. Very friendly, humourous and knowledgeable on life.

The Story:

Had some time free and Jamie had been on my list for some time. Jamie wore a plunging, skimpy all in one animal print outfit which highlighted her pert, handful sized breasts. She asked what I liked and we started with some stroking, kissing and really good owo. Excellent owvirl and missionary - I could have enjoyed the oral for the full session but Jamie's fully shaved pussy was so tempting - I needed to fuck her. It was bliss, tight, responsive and like a dream come true. I finished by wanking as Jamie lay facing each with her legs apart playing with her pussy and stroking my balls - wow! Jamie is a real gem. Another jewel in Annabella's array of beautiful, sexy and smart women
