The Premises:

Nice and easy place to find in Bayswater. Clean and tidy, spacious and comfortable. Shower was offered and good quality, clean towels etc.

The Lady:

Vala is a quintessentially beautiful eastern European girl in her late twenties. Looks much better than her pictures, although they are very accurate representation. Nicely toned and slim, enhanced boobs but well done. The perfect figure and a lovely tiny waist.

The Story:

When we went the bedroom I simply had to get a better and closer look at her body. She was wearing a purple tight lingerie top and matching panties that were full and came up over her waist and tummy and went right up her arse at the back. When she took these things off she revealed just how super slim she was. Not skinny however, there is a difference. Vala works out it is very clear and everything from her perfect little ass to her arms is toned. But I would be quick to add that it's not in that overly muscular way.

Started kissing her all over and went down on her for a while that she seemed to like a lot and made her very wet. She then repaid the favour with me sitting up and her head in my lap. This gave me a great view of her ass and the opportunity to explore her body even more. She's good at OWO. I'd go so far as to say very good, but not the best I've had.

She seemed keen to progress to the even better stuff, so she got on top and rode me for a while. She's nice and tight and you tell her working out has been helping in this area too. We switched to missionary for a while, and I have to say that you can very nearly hold onto her entire ass in this position it's so small and tight! After this we switched to doggy finally and that as looks great. The best position we did was one of my favourites and had her laying on her front with her legs closed, and her head over the end of the bed. Very tight and very nice!

Finished with more OWO and a handjob. She doesn't talk much and her English isn't great, but it will do!
