The Lady:

Carmen is Spanish. Dark hair and curvy, with a great pair of boobs and a very spankable big backside! Estimate height around 5 foot 7. Age I would say is 18 or 19. Definitely not more than 22

The Story:

Thought I would try this new and young lady in the MK scene. She's definitely curvier than the photos on the website....but that's what I liked!

Started off with some DFK standing up in front of the mirror. Carmen then moved down by torso, freed my cock from my boxers and started giving some real good owo. Then moved onto the bed, propped myself on the pillows and cushions to watch this sexy senorita settle down to give me prolonged owo. My hand spent a lot of time over her big ass, giving a good hard slap now and then.

After 10 minutes or so, decided to fuck her. Started off with Carmen riding me very hard in cowgirl. She loves that! Then had to switch to doggy so I could get my hands on that big rump of hers.

After cumming good and hard and then being cleaned up, we lay down and enjoyed some more slow and sensous DFK.

Carmen is young, so sometimes needs some direction and instructions. Also, her English is limited, but that doesn't matter too much when you're sliding your cock into her mouth! Recommended. Very similar to Dollar, if you guys have seen her.
