The Premises:

Ego Massage is located in the Old Coach House. It is accessed from the service road that runs behind the shops, parallel to Aylesbury Street. It is here that you will find a free council car park. Hence entry to the Old Coach House is very discreet.

There is also a free council car park at the corner of Napier Street and Victor Road, about 100 yards from the Old Coach House. This is just as well since when I arrived at 12:30 on Saturday morning, the Aylesbury Street car park was completely full. Fortunately the Napier Street car park wasn't. The Old Coach House is comfortable and clean. The showers are operated by a push button and deliver a fixed volume of water, if you need more water you have to push the button again.

The Lady:

Poppy has recently returned to work having had a baby about 4 months ago. She is on the road back to regaining her figure as per her gallery photos, by dieting and exercising but is not quite there yet. She reckoned that it might take several more weeks. Do not let this put you off. She is no bigger than Jess or Rachael and only slightly bigger than Eva. Her photos do not show what a lovely face she has, nor what a beautiful smile.

The Story:

The massage started off with all the usual action. There was lots of arousing body to body. Poppy is very broad minded and down to earth. At one point she asked me what is my favorite bonking position. Before you jump to the wrong conclusion, everything we did was within the house rules. She is versatile and was quite happy to indulge one of my sexual peccadilloes.

I can thoroughly recommend Poppy and I definitely intend to see her again.
