The Story:

Was told no kissing oral or pussy play before booking started which put a slight dampener on the experience joined in the jacuzzi received a nice rub down with some prostate massage. Tried to sneak a finger in her pussy but was told sorry you can't do that. Received some real good hand relief then out the tub and on to the bed. Real good body to body then on with condom. In to mish. Her pussy is realty tight. She doesn't make any noise. Closes her eyes which I did not like so chose to finish by hand job. Great skills with the hand job and blew on her belly. Neutral is the price and uninterested sex
