### The Premises:

This was at Annabellas recently acquired residence in Bletchley. nicely furnished, beds are ok.

### The Lady:

Well if you have a look at her photo's and those today on twitter you get a pretty good idea of just how hot and attractive this young lady is. She cannot show her face for obvious reasons but believe me she is very attractive. long hair, natural breasts that are a delight to cup and suck. Good shape and a very very nice arse.

### The Story:

Arrived just a couple of minutes early and was told to go upstairs and select a bedroom. Used the facilities and then into the room. Laid out the towel and got undressed. As I turned around I saw Brooklyn walking up the stairs and I was very pleasantly surprised to see that she is a very attractive young lady. She was wearing a red one piece and stockings. She smiled put her purse over the paperwork I had left on the side and then said hello and started kissing me gently, then this graduated into french kissing which was very nice. Brooklyn then started to kiss my torso gradually working her way down. She kissed and licked and then took me into her gorgeous mouth. She was looking up at me which improved the experience and she also paid attention to my balls. Brooklyn took me in her mouth and then proceeded to lick and suck getting deeper until her nose was right up against me. She gurgled and continued to work the little fellow very nicely. After a while I asked for 69 and we got on to the bed. Brooklyn's beautiful pussy was there staring me in the face and I just had to indulge myself. Brooklyn tasted very good and I licked her and rimmed her beautiful little star fish. As I did this Brooklyn continued to give excellent head and I was a happy man. With half the visit gone I asked Brooklyn to ride me and so on with the jacket and Brooklyn mounted me. A beautiful young lady was sat astride me and she began to make motion. Oh yes! she was grinding and making the right noises. She leant forward and I had to lick and suck those young natural breasts. Again appreciative noises. I then requested doggy and Brooklyn asked if I wanted on or off the bed, I opted for on and proceeded to appreciate that very fine arse and entered her nicely wet pussy. I was loving it and just had to give her bottom a few spansks as it was just so gorgeous and she was being a naughty girl. I realised I was getting pushed for time so I asked for more oral. Brooklyn knelt on the floor and again gave me a really good wet and deep blow job. She again

looked up at me with her beautiful eyes and the inevitable happened. Brooklyn was very very good. She has a lovely personality and gents, please treat her with respect, as I for one want her to hang around. Lots of you have been keeping her a secret but I don't think that's fair on Brooklyn. She has chosen this profession, she is extremely good at it as well as being attractive and deserves to do well. I hope i'm able to get an appointment next time I try because I know this young lady is going to get busier as word spreads. Thank you Brooklyn. Until next time from a new fan, Thank you
