The Lady:

Very good looking, beautiful in fact and far better than her photos. She could easily pass for 24-25 and was very exotic looking. Almost a latina look, a sort of cross between latina porn-hottie Jasmine Caro and a young Sandra Bullock.

The Story:

Whether I just clicked with Jenny, I don't know - but I got the full on treatment. Kissing, stroking, beautiful OWO. A really sensuous experience -- like a girlfriend you haven't seen for months and you can't wait to f*ck her, or she you.

After some really nice sensuous massage and kissing, she trailed down to lick my nipples, then finally my rock-hard c*ck. By this time I was in heaven -- then more heaven followed as I screwed her with her legs up by her ears and her either gently panting in my ear, kissing me, licking my nipples and softly stroking my balls. I think that's what they call multi-tasking!
