The Lady:

Very nice and slim. She matches her advert, slim size 10 with great small boobs, around 34b. Quite tall around 5 foot 10 inches. lovely long brown hair for you to get tangled in. If you like you girls tall and slim then Violet is for you. She looks to be younger than stated. I would say she look around 35 years old.

The Story:

I liked the look of Violets profile, Something different. Sat at home chilling out and I thought why not. I gave her a call and she said shew could be with me within 1 hour. True to her word an hour later she was knocking on my door. WOW. She looked amazing dressed in a short dress with stockings and hogh heels. Sorted the money out and off to the bedroom we went. Started off with a nice relaxing massage then on to the fun bits. Fantastic oral and then tried some 69. You can tell she really enjoys her work. She came right on my face whilst I was licking her. We tried all sorts of positions, Some I have never tried before. I could not hold back any longer, The best orgasm i have had in a long time. Afterwards we just lay on the bed cuddleing until it was time for her to leave. I am looking forward to the next visit, maybe she can teach me a few more positions. Until next time Violet xxx
