The Premises:

discrete location with convenient parking. Clean and well maintained with good showers.

The Lady:

Very attractive blonde, with a nice body. At 5'1" she is just a perfect height for me. Very like her photos although her breasts are now a little larger, but who's complaining.

The Story:

This was my first chance to see Poppy for more than 6 months and I was really looking forward to it. And I was not disappointed. As usual she was very friendly and chatty, with an excellent technique, and she knows how to please a man. I cannot think of a nicer way to spend 90 minutes than with this lovely young lady.
