The Premises:

The place is very easy to find. Only a two minute walk from West Kensington tube station. The street itself is very quiet and no-one really notices you enter the premises. Very tidy inside and a friendly maid. I had a shower before meeting Renee.

The Lady:

Renee is a petite Lithuanian brunette with the most amazing breasts. If you like puffy nipples, then she is for you. Shaved pussy and a nice shapely bum. Attractive face, though slightly different than what I imagine behind the blurred photos on the website, though no worse for it. Perfect English and very friendly.

The Story:

Renee arrived through the door bang on 6:15 and greeted me with a kiss on the lips and then the money was sorted out. She asked what I wanted and I said OWO, 69 and sex, which she said was fine. I lay on the bed and she asked if she wanted her clothes to be taken off straight away and I said yes. Onto some really nice OWO which soon turned into an equally nice 69. Then it was time for sex and we started in the missionary position. This lasted a few minutes before Renee suggested we try doggy. This was perfect and I could feel myself getting closer to cumming and asked to go on top again. A few minutes later, I came. A really nice half an hour with Renee and just what I really needed after quite a stressful afternoon. Renee is not the type to make loud noises during sex. I would recommend her to anyone who likes the gentler GFE. While getting changed we had a nice chat. A really nice girl.
