The Lady:

April is gorgeous! I saw her on the way out last month after an appointment with Sake and thought "I must see her as soon as possible!" I booked her for next Friday, which was going to be my first available chance, but saw on the HOD website that she was available today and called up at 10 o'clock for the first available booking I could make. She has a curvy figure, long blonde hair, perfect natural breasts and a lovely shaved pussy. Beautiful eyes, a lovely smile and a really nice personality. She has a really nice accent, too. I am smitten and am going ahead with next Friday's appointment, too! As close as perfect to my taste as possible.

The Story:

After a shower, I waited for April to enter the room and she arrived shortly and gave me a kiss on the lips and then i gave her the money. After some more kissing, I asked if she would get on her knees to give me oral sex and she did and it was fantastic, with some nice eye contact. Onto the bed and she carried on giving me a blow job before I asked if we could 69. This was lovely, too. Then onto some really nice slow sex in the missionary position. Looking into those eyes and seeing her smile was amazing. Didn't try any other positions. tHere's time for that in the many more times I see April, I'm sure! Wary of the time and knowing I couldn't stay where i was forever (though i would have loved to!) I pulled out and eventually came on just below those beautiful breasts.

Recommended? Hell, yes!

I can't wait till next Friday and if you are reading this April, thanks for an amazing half an hour. See you next Friday!
