### The Premises:

Nice and easy incall in Earls Court, close to station, basement apartment with access from street (just how I like them!) Lovely apartment, very clean and tidy. Nice shower facilities in a bathroom with mirrored wall and big luxurious bath.

### The Lady:

Amika is the girl in the pictures, but they're obviously "glammed up". Although she is just as beautiful, if not more so in the flesh. Young, only 24 I think she said. Quite shy at first. English isn't the best, but very sweet indeed. Fabulous body, flawless!

### The Story:

Amika was wearing a tiny black silk negligee, black panties. Her hair was straight and down, she looked naturally very beautiful indeed. Very sweet looking. After my shower, she allowed me to explore her a little more. I stripped her off with her standing in front of me. She seemed a little nervous at first, but soon got into it. Moving herself to my touch. She has a lovely pert ass and perfectly formed boobs, all natural. Small waist too. Just everything was perfect to look at and hold.

The action was good too. Not the very best, but good. I have come to expect quite a lot from these Russian girls, because they're usually so very passionate. Not that Amika wasn't, it's just that I've seen better Russians. Her OWO was very nice. Good technique and she coped well with a little face fucking and head holding (although I didn't push too far because she can't take it and I'm quite long). Moved onto her on top, which was nice. Flipped over into doggy which she found a little harder because of my size again, but the view I have to say was astounding. What a girl! Finished off in missionary with my hand on her perfect ass and the other on her boobs. She is very tight, and this felt very nice indeed.

A very sweet, lovely looking young Russian
