The Premises:

A terraced house on a residential road near Plumstead rail station. It was a bit squalid, but clean.

The Lady:

A petite Romanian girl with natural A/B cup breasts. She could only have been about 5ft tall.

The Story:

I enjoyed the session because Alessia was very friendly and accommodating. She had a lovely little body. These days I keep the sessions simple and we had sex in doggy position and finished with a slow hand job. The highlight was seeing her tight little bum while I was thrusting away. The handjob was really good I had an explosive climax.

There are a few East European run places in Plumstead and Woolwich and this is one of the better ones.
