The Premises:

The Lady:

5 foot 5, extremely attractive Eastern European brunette, some cute tattoos, slim, 20s. Jul is fun, warm and interested. She's open minded, which was good as I was partying, though she did not partake herself.

The Story:

I wanted an easy going social party experience and Jul was good company. We touched a little and she invited me to massage her, and the rest of the time we talked - she asked a lot of questions and made me feel at home and comfortable. Jul is physically cute and sexy, she also comes across as a nice person. Would recommend 100%
