The Lady:

Light brown hair, about 5'7" tall. Very nice fit body. Breasts not as large as I'd thought from previous reports but still very nice indeed. Pretty face, not a stunner but certainly someone you'd be chuffed to be seen with

The Story:

Adrienne came in wearing just a see through dress and high heels - she towered over me until the heels came off. We were both soon naked and there was some nice sloppy kissing before on to the bed for OWO with some hand attention to my balls. She then rode me for a while and I was able to appreciate her very fine arse in my hands, and with my head between her tits too it was all very pleasant. Then mish and I came quickly in her very tight pussy - I defy anyone not to - which she had allowed me to put a finger in to earlier. All in all a very good punt and highly recommended.
