gorgeous blond big boobs and a fantastic bottom very sociable she wore stockings and a basque

The Story:

We went to a small room and agreed the price standard service £30.00 it was £20.00 extra for GFE which I thought was a bit steep as I am not bothered about kissing and cuddling but would have paid an extra £10.00 for owo or ro. She was very good with the oral but as I was not paying the extra there was no touching and the boobs stayed in the basque which was a shame she asked if I was ready for sex and I requested more oral which after a short while turned into a hand job. I then requested sex doggy fashion which was extremely good and she didn't mind me taking my time and did not rush me so I was able to really enjoy looking at her gorgeous bottom as we screwed.

Overall it was a good experience, better than the last time I was here as the girl was foreign and quite clearly wanted to get things over as quick as possible

I will call in as you get what you pay for but next time I will pay the extra and have half an hour and hopefully get to taste her pussy
